About KLD Research & Analytics

Founded in 1988, KLD Research and Analytics, Inc. is an independent investment research firm providing institutional investors with authoritative social and sustainability investment research and compliance services, consulting services, and benchmark and strategy indexes. The FTSE KLD 400 Social Index (formerly the Domini 400 Social Index), launched by KLD in 1990, was the first benchmark index for equity portfolios subject to multiple social screens.

More than 400 clients worldwide use KLD products and services to integrate environmental, social and governance (ESG) criteria into their investment decisions. KLD's clients are institutional and retail money managers, investment consultants, compliance officers, institutional investors, professionals, academics and investor relations officers.
